Fifth Annual Homecoming Weekend Hall of Fame Celebration

We appreciate those who have given their past support to the Livingston Public Schools through the Livingston Education Foundation (LEF).

Tax deductible donations to the Livingston High School Hall of Fame allowed LEF to make a contribution of \$55,000 to help fund *Technology for the 21st Century Classroom*.

Attached is a packet that will allow you to continue that support for 2014.

LEF is busy planning for our *Fifth Annual LHS Hall of Fame Reception* to be held Friday, October 10, 2014 at *The Wilshire Grand Caterers*. Once again, this reception is just one part of Livingston High School's Homecoming Weekend where we look forward to welcoming back our alumni who will join us in celebrating education, the theme for the weekend. Many high schools and colleges today bring back alumni each year as a means to build strong ties between alumni, school and community as well as to build a network of volunteers able to assist with special events and fund-raising initiatives to benefit the schools.

This year the inductees that will be joining past distinguished members of the LHS Hall of Fame include: **Dr. V.A. Shiva Ayyadurai**, *Class of 1981*; **Charles R. Bendit**, *Class of 1971*; **Larry Fieber**, *Class of 1968* and **Dr. Suzanne Steinbaum**, *Class of 1986*. Also being honored with *LEAD Awards* are **Jim Ransegnola** and **Don Schwartz** for their dedication as educators to the Livingston Public Schools.

We are looking now to the broader community to join us in celebrating the successes of our alumni and our educators, which recognizes their roots in the Livingston Public Schools, and to help us to raise the much needed funds during these tough economic times in order to continue Livingston's tradition of meeting the ongoing needs of our students.

Please use the attached packet to continue your support by making a tax deductible donation for our LHS Hall of Fame 2014.

Your donation is an investment in our students and will support innovation in teaching which creates a rich, safe environment where our students can receive a world-class education. The difference between an average and an outstanding school district is directly dependent on the involvement of the educational and broader community. Thank you for being a part of this community!

We look forward to hearing from you!

Sincerely,
Heidi Cislo
