

CALLING ALL HILLSIDE PARENTS! IT'S TIME TO ORDER Yearbook MESSAGES

Buying Personal Yearbook Message(s):

We are excited to share that the back section of this year's yearbook will be dedicated to **grade-specific messages** from parents, grandparents, siblings or friends! This is the perfect way to send your child a little note and also thank teachers, administrators or other memorable support staff. All messages will be organized by grade to recipient. For example, all 4th grade messages will appear under a **special "4th Grade Messages" section**. Any messages for non-classroom teachers (Mr. Gramata, Mr. Joe, teachers, office staff) will be placed under a **special "Hillside Faculty and Staff" section**.

If you wish to place a message in the yearbook, please use the link in Mr. Gramata's weekly email or on the Hillside website home page to order.

Throughout the school year parent volunteers have worked hard to produce a school yearbook as a memento of the school year. *The 2016-2017 yearbook will be a very special, full color 68-page yearbook where EVERY child at Hillside will be featured on their class page as an individual, in a class photo and our goal of at least 1 candid photo.* It will be an amazing yearbook and special keepsake not to be missed! Don't miss out – order your copy today online at Lifetouch.

Thanks so much for your support!
