Completed space!

Our students are looking forward to laying down grass seed and planting perennials to make the space beautiful! They are so excited to be learning outside.

*Teachers at MPE during a teambuilding staff meeting in our new outdoor classroom with Adam Baranker. Staff participated in a variety of activities that encouraged positive communication and fun! MPE staff learned instructional techniques and activities to use during classroom instruction to foster teambuilding and movement during lessons. – Dr. Emily Codey*
