

Script of Dr. Block's November 24, 2021 Video Message

Hello Livingston Public Schools Community. This is Matt Block, Superintendent of Schools.

I wanted to take this opportunity on behalf of the LPS Team to wish our students and families a happy and a healthy Thanksgiving.

I am thankful to be part of a community that values education, supports our schools, and partners with us in so many different ways. I am thankful for our team of educators who continue to show what is best in education even under the most challenging of circumstances. I am fortunate to work with such an amazing group of education professionals and a kind and talented group of students. I am also thankful that we all have the opportunity to take the next few days to relax, rejuvenate, and spend time in the company of family and friends.

I hope that this weekend is positive and peaceful for our entire LPS Community. I encourage everyone to take a deep breath, decompress, and enjoy.

Thank you, and have a great holiday!
