

Board of Education 2020-2021 Goals

1. Communication: Improve communication and transparency between the Board and the public to ensure the community views the Board as an effective representative and governing body.
2. Strategic Plan 2021-2026: The Livingston Board of Education will support efforts to select a consultant, establish a committee of diverse stakeholders, and create the Profile of a Graduate.
3. Professional Development: Based on the NJSBA Board Self-Evaluation, create a Professional Development plan for the Livingston Board of Education in order to establish business norms and practices.
4. Governance: improve the Board's collaboration in order to facilitate timely and efficient decision making.
 - By May 31, 2021 determine whether to add a public question to the November ballot to increase the size of the Board.
 - Beginning January 2021, introduce timed agendas with clear protocols for both public meetings and executive sessions.
