Board Goals 2017-18

*Attachment C
November 20, 2017*

Goal	
Strategic Planning	Monitor the District Strategic Plan.
Board Operations	Identify and implement a process for improving internal communication with and from the administration and external communication with and from the community, to enable the Board to make informed decisions with input from all district stakeholders.
Board Governance	Review and assess new Board Committee structure to improve Board Governance
Professional Development	Continue to engage in Board Professional development to work toward achievement of Master Board status.
