

Board Budget Goals for 2023-2024

Board Budget Goals

1. Expanded access to and resources for people and services to support LHS students in their high school planning, post-graduation planning, and college application process.
2. Provide resources for and drive greater involvement and inclusion of all students in extracurricular activities, athletics, and events.
3. Enable the district to access and use independent, third party resources to conduct a full equity audit (including special education) and report results to all stakeholders.
4. Develop and implement a facility plan to address enrollment increases that have resulted in capacity constraints with the goal of adhering to class size guidelines.
5. Continue to support a five-year curriculum writing cycle to keep programs and materials current and relevant; initiate technology solutions to drive consistency, collaboration, and communication; and provide professional development to support staff, students, and other stakeholders.

Student Representative's Budget Goals

1. Continue supporting, promoting and implementing student educational technology training initiatives to maximize successful learning outcomes inside and outside the classroom.
2. Continue strategizing and implementing initiatives to optimize the use of school facilities and/or expand said facilities in light of the rapidly growing student population.
