

Join the Birthday Book Club!

SAVE the DATE -November 12th

This year we will be celebrating Harrison School's 90th Birthday as part of our Birthday Book Club event! We will have a few special activities for our students along with Readers' Theatre and of course birthday cake! More information will follow soon!

Donate a book to the Harrison School Media Center! The Birthday Book Club is one of the exciting programs celebrating education.

Here's how it works:

- Our media specialist, Mrs. Caulfield, will select a book for your child. That book will have a special dedication inside to your child or family.
- Join us for a special celebration during our November PTA meeting! Children can wear their pj's and spend some time in the media center celebrating their new books with Mrs. Caulfield.
- During that celebration, the books will be distributed to each participant. They will have the first opportunity to read them and then return them to the media center during their media class.

A donation to the Birthday Book Club is \$10 per book. If you are interested, please complete and send in the form below.

IF YOU ORDER MORE THAN ONE BOOK, PLEASE FILL OUT A FORM FOR EACH BOOK.

Orders are due Friday, October 25, 2019.

Please return form and \$10 payment to the *"PTA Mailbox – Attn: Birthday Book Club"*. Please make checks payable to Harrison PTA.
