

PTA School Supply Fundraiser

Harrison Parents, it's time to order school supplies for next year! You won't have to go to the store and the PTA gets a portion of the sales!

***School Supply Kit Orders Are Due, Don't Delay!**

Missing your order form? Check with your school's kit sale coordinator for ordering instructions.

Why should you order a school supply kit?

- Each kit is exactly what your child's teacher requested - not what stores want you to buy.
- Your child will come prepared for the first day of school.
- All items are top quality and designed to last.
- Each kit is personalized with your child's name, grade, and school name.
- Each child receives 40 labels with the child's name and grade, plus exclusive bonus items!
- Save time and gas!

Place your order today. You'll be glad you did!

*No late orders are accepted.

All orders are online. The sale will run from May 25-June 21. No late orders will be accepted. Supply kits will be shipped to school in late August and will be in your child's classroom on the first day of school.
