

# Silliness and Smiles for a Serious Cause !

## RED NOSE DAY

Thursday May 24th

Since 2015, **Red Nose Day** has been a campaign with the mission to end child poverty by funding programs that keep children safe, healthy, and educated. Their mission is to use smiles and laughter to bring people together, and raise life-changing cash for the children that need it most. **The Red Nose Day** campaign has raised \$200 million and has positively impacted over 25 million children in America, and around the world!

**Harrison Student Council wants you and your family to be a part of this wonderful cause!**

We're calling all Harrison students to earn their digital Red Noses by showing a little kindness, spreading laughter, and bringing people together during this challenging time of physical distancing.

*How can you earn your red nose at home?*

**Spread kindness and make someone laugh,  
in person, on the phone, or when having a video call!**

**YOU CAN:**

*Tell a joke*

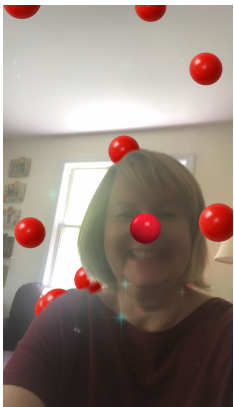

*Make up a silly dance move*

*Make a silly face*

Then follow the directions on the next page to get your digital red nose, or create your own!
