

RONALD MCDONALD
HOUSE CHARITIES®

Hello Harrison Families!

Albeit a little late, I'm happy to announce the Student Council will be continuing our tradition of collecting pop tabs in order to donate them to the Ronald McDonald House. Ronald McDonald House charities use the money from the donated and recycled pop-tabs, to maintain and create 'a home away from home' for children and their families who are being treated for terminal illnesses far from where they live. The pop-tabs will be brought to the Ronald McDonald House in West Long Branch, New Jersey. We will combine this year's tabs with those we collected from September-March of the 2019-2020 school year. Students can bring in pop tabs and drop them in their classroom collection containers, and if fully remote, drop them off to the school during your next scheduled material pick-up day. Harrison has collected over half a million tabs since the start of this campaign, please help us reach striving for our goal of one million tabs! Thank you for your help and participation in this great cause. If you have any questions, please do not hesitate to contact me!

Pull for the
House.

Sincerely,

Student Council Advisor
Mollyann Piegari
