VOLUNTARY ENROLLMENT INFORMATION

Dear Parent/Guardian:

The Livingston Board of Education provides accident insurance coverage for student participation in athletic events such as interscholastic sports, band, cheerleading, etc. This coverage does not cover accidents occurring during gym or on the playground.

In order to eliminate any question about medical payments being covered for an injury sustained by your child, it is **highly** recommended that you consider participating in the voluntary student accident insurance program for the 2019-2020 school year.

Voluntary accident insurance is available for all students at the expense of the parents or guardian. Your child must be enrolled at the time of the accident to be eligible for those benefits. You can enroll by visiting http://www.policyxl.com/monarch/sa_enrollment.html. Once on the site, begin by picking the student's home district from the drop down menu and follow instructions to completion.

Very truly yours,

Steven K. Robinson
