Course Sequence for Science

Grade 9
- General Biology
- Biology CP
- Biology Honors

Grade 10
- General Enviro
- Enviro CP
- Enviro Honors
- AP Enviro
- General Physical Science
- Chemistry CP
- Chemistry Honors
- Intro. Chem/Physics CP
- Physics CP
- AP Physics 1
- General Enviro
- Enviro. Science CP
- Enviro. Science Honors
- AP Enviro. Science

Grade 11
- General Physical Science
- Chemistry CP
- Chemistry Honors
- Physics CP
- AP Physics 1
- General Enviro
- Enviro. Science CP
- Enviro. Science Honors
- AP Enviro. Science
- FY: Forensic Science
- The Human Body
- Dynamics of Health Care in Society
- Sem: Astronomy
- Medical Microbes
- Natural Disasters
- Organic Chemistry

Grade 12
- AP Biology
- AP Environmental Science
- Biotechnology 1
- Sustainability Science 1
- AP Chemistry
- AP Physics: Mechanics
- AP Physics 2
- AP Physics: E & M
- Three-Year Research Elective
- Introduction to Research Methods Honors
- Intermediate Science Research Methods Honors or AP Seminar
- Advanced Science Research Methods or AP Research

Note: For all electives, please consult prerequisites in course guide.

NJ State mandates all students must take three (3) laboratory courses: Biology plus 2 of the following: Chemistry, Physics, Environmental Science or Introduction to Chemistry/Physics
