Course Sequence for Technology Education
(Page 2 of 3)

Grade 9
- Graphic Design
  - Visual/Graphic Communications 1

Woodworking/Construction/Stage & Theatre
- Wood Technology 1
- Stage Craft 1
- Interior Design (S)

Transportation/Automotive Technology & Engineering
- Transportation and Automotive Systems
  - Automotive Mechanics
  - Automotive & Power Systems Technology 1

Grade 10
- Visual/Graphic Communications 1
- Visual/Graphic Communications 2

Grade 11
- Visual/Graphic Communications 1
- Visual/Graphic Communications 2

Grade 12
- Visual/Graphic Communications 1
- Visual/Graphic Communications 2
- Independent Study

- Wood Tech 1
- Wood Tech 2
- Stage Craft 1
- Stage Craft 2
- Architecture CAD 1
- Engineering & Product Design CAD 1
- Interior Design (S)
- Tech: Today & Tomorrow (S)

- Transportation and Automotive Systems
  - Automotive Mechanics
  - Automotive & Power Systems Technology 1
  - Automotive & Power Systems Technology 2
  - Tech: Today & Tomorrow (S)

- Transportation and Automotive Systems
  - Automotive Mechanics
  - Automotive & Power Systems Technology 1
  - Automotive & Power Systems Technology 2
  - Tech: Today & Tomorrow (S)

(S) denotes semester course

Grade 9
- Electrical/Computer Science/Engineering Design & Robotics

Grade 10
- Electrical/Computer Science/Engineering
- Computer Programming (Math)
- AP Computer Science Principles
- AP Computer Science A (Math)
- Electronics Fabrication
- Electronic Systems
- Robotics

Grade 11
- Electrical/Computer Science/Engineering
- Computer Programming (Math)
- AP Computer Science Principles
- AP Computer Science A (Math)
- Electronics Fabrication
- Electronic Systems
- Robotics
- Tech: Today & Tomorrow (S)

Grade 12
- Electrical/Computer Science/Engineering
- Computer Programming (Math)
- AP Computer Science Principles
- AP Computer Science A (Math)
- Electronics Fabrication
- Electronic Systems
- Robotics
