

FEA and PTA Bring You This Series of Webinars

## Tools for Families: Partners in Supporting Our Children

Are you struggling with the new normal of life? Today, we are faced with juggling many new responsibilities that we never envisioned. How are you taking care of yourself? Join us in this webinar series designed specifically for families to explore strategies, resources, and supports to strengthen families as they navigate life today. **We encourage you to join and share these links with the parents and families in your district.**
