

Dear Parents,

Please help your child fill a paper bag with 3-5 items that represent themselves. You can also have them decorate the bag to show their creativity!

We will share them with our classmates during the first two weeks of school (sharing from 9/1-9/9).

The items will be returned home, but please do not send anything expensive or fragile.

Ideas:

- crayon in your favorite color
- ball of your favorite sport
- favorite toy
