

Entering Sixth Grade MPMS Summer Reading 2024

Dear Upcoming MPMS Students and Families,

It's summer reading time! Please enjoy this "kickoff" to summer reading by perusing the books suggested in the presentation created by the MPMS Media Specialist and English Language Arts teachers. Many of the book choices include a book trailer. Don't miss them!

This summer, you are asked to read **two books**. Please choose at least one book from the list/presentation, and your second selection is a book of your choice. During the first weeks of school, you will participate in engaging discussions and activities about one of your selections.

At Livingston Public Schools, we have made literacy a priority at all grade levels. We need your help in ensuring that "our" children continue to read throughout the summer. Through sharing your reading life and being an example for your child, we partner together in encouraging students to develop a love of reading - our ultimate goal as a community.

Thank you for your support! We can't wait to hear about your summer reading journey in September! For your viewing pleasure, please watch: [*Summer Reading with Dav Pilkey*](#).

Happy Summer Reading!
