

AP Pre-Calculus Summer Assignment 2023

Directions: Join the AP Pre-Calculus Summer Assignment Schoology Course.

CODE: 6NQQ-K23S-XXGX2

Be sure to **READ ALL DIRECTIONS IN THE SLIDES** before beginning the summer assignment.

The Summer Assignment Consists of 4 Parts.

The material on the Summer Assignment is review from Algebra 2.

There are links to videos to remind you of how to do the material in each section on Schoology. You may also want to reference your notes from last year.

Part 1: Polynomial Functions

Part 2: Operations with Functions

Part 3: Rational Functions

Part 4: Transformations

To complete each part, **please print the workspace pages on Schoology** before beginning the assignment. Then complete each Quizizz and **SHOW ALL WORK!**

To receive full credit, please reattempt each Quizizz until receiving a score of at **least 80%**.

**ALL 4 PARTS OF THE SUMMER ASSIGNMENT
ARE DUE BY 6AM ON 9/7/23.**

Please bring the completed workspace pages to class to be collected.

Each part is worth 5 points for a total of 20 points for MP1.

NO LATE ASSIGNMENTS WILL BE ACCEPTED.

If you have any questions, feel free to reach out and we will do our best to get back to you!
