Thank you to Mr. Chen for all of his creativity and dedication as he produced our daily morning message: The Daily Roar!

This week we created and presented our last Daily Roar. It is with lots of emotion, more than I expected, that I share this with you. Enjoy and know that MPE is a very very special place to learn and grow!!! This video was seen by all of our students each morning and really brought us together during our remote learning experience.

Special shout out to our amazing school counselor Mrs. Kelner and our new second-grade teacher Mr. Chen for giving of themselves every single day and making sure our children felt loved and valued!!

We are so happy that our students are back in school. I was choked up watching this and want to thank you all for allowing me to be a part of our MPE family!
