MPE Multicultural Day Experience

MPE celebrated Multicultural Day at school on May 13! Each child received a passport, which they used to "travel" around the world to see which countries and cultures are represented within MPE. They travelled to China, India, Korea, Japan, Turkey, Nigeria, Dominican Republic, Greece, Ireland, Mexico, Poland, Russia, Taiwan, Israel, Italy, Argentina, Denmark, Canada, Brazil, and Venezuela. The children also experienced some crafts from a few of the countries above. Below is a link to a video of the multicultural museum.
