Rogers*

FAMILY GATHERING & PEP RALLY

Our first Ramily Gathering was the perfect exclamation mark for a wonderful first full week of the 2019-2020 school year!

Students, teachers, and staff came together to celebrate each other, participate in sing-a-longs and cheers, as well as renewing our commitment to kindness and performing acts of kindness. This gathering officially marked the start of our journey to identify our shared values and name our Ram. Now, let’s get to work!

Our First Full Week

Excitement. Fresh. New. Opportunity.

If our first day kick-off on the blacktop, through the first full week of the school year are any indication, we are in store for an AMAZING school year.

I can feel the excitement and positive energy flowing through our hallways, radiating from our classrooms, and making its way all the way out to the playground; I am proud to say that Riker Hill is alive and thriving. Day after day, our students and teachers have been busy getting to know each other, building community, and implementing the procedures necessary to have a successful school year.

Having been in every classroom, at least once, since the start of the school year, I have been inspired by the warm and caring environments our teachers have worked so hard to foster. In order for our students to learn, they must feel safe. At Riker Hill, my message is clear, "All Are Welcome." We are committed to providing our students with experiences that peak their curiosity, feed their minds, and allow them to

develop the real-life skills they need to be successful, both now and for the rest of their lives. Your students are in great hands and I have no doubt they will be inspired, each day they walk through our doors.

“I am proud to say that Riker Hill is alive and thriving.”

We understand the tremendous responsibility you are entrusting us with, as we aim to support each student’s academic, social, emotional, and personal needs. The next 172 days promise to be full of exciting, fresh, and new opportunities for all of our students.
