Dear Fifth Grade Parents/Guardians:

Please take a moment to review the following important health related topics and requirements for your child to attend Mount Pleasant Middle School. The requirements are designed to appraise, protect and promote optimum health among all students and school personnel. Click [here](#) for an overview provided by the school nurse.

There are several forms attached that must be completed based on your child's specific health needs. These forms must be submitted in conjunction with your child's entrance to school in September; however, you may return the completed forms to the MPM School Nurse via email at Hgal@livingston.org

Forms that are **required** for all 6th grade students at MPM include the confidential medical form and immunization record with a physician signature:

[Immunizations Letter and Form](#)
[Confidential Medical Form](#)
[Meningococcal Invasive Disease Fact Sheet - Please read](#)

Forms that **may be necessary** for individual student needs. Some of the forms require a physician signature so please read each form carefully:

[Request for Administration of Medication](#)
[Asthma Treatment Plan](#)
[Emergency Allergy Treatment Plan](#)
[Self-Medication for Asthma and Life-Threatening Conditions](#)

If your child is interested in participating in intramural sports offered at MPM please click [here](#) to review the requirements and necessary paperwork. You can also visit [Athletic Forms and Sports Physical Information](#) for more information.

Thank you and if you have any questions regarding any of the attached documents, please contact Mrs. Hila Gal, School Nurse, at 973-535-8000, ext. 8079 or Hgal@livingston.org

Sincerely,

Bronawyn O'Leary
Principal
