The Livingston Education Foundation (LEF) is busy preparing for our Livingston High School Homecoming Weekend. This October 2011 events includes the:

## **Alumni Hall of Fame Honorees Visit LHS**

### **LHS Alumni Hall of Fame Dinner**

### **Lancer Homecoming Football Game**

### **Homecoming Activities**

### **5K Run**

We look forward to welcoming back alumni who will join us in supporting "*Technology for the 21st Century Classroom.*" Many high schools and colleges today bring back alumni each year as a means to build strong ties between alumni, school and community, as well as to build a network of volunteers able to assist with special events and fundraising initiatives to benefit the schools.

Five alumni have been chosen to be inducted into the Livingston High School Hall of Fame at a dinner to be held at the Cedar Hill Country Club on Friday, October 14th. Everyone is invited to cheer on our Lancer football team at the Homecoming Game on Saturday, October 15th. Homecoming activities will be available on Sunday, October 16th to complete our weekend. On Sunday, October 23rd join the 5K Run and other exciting activities. Check out our LEF website for complete details!

We are looking to our community to join in celebrating the success of our honorees, which recognizes their roots in the Livingston Public Schools and to help us raise much needed funds for our schools so we may continue the tradition of meeting the ongoing needs of our students during these tough economic times.

Please consider becoming a community partner:

- Cheer on our Lancer football team and visit the booths around the track;
- Attend the LHS Hall of Fame Dinner;
- Make a tax deductible donation to our Hall of Fame Ad Journal;
- Participate in one of the education activities;
- Volunteer to help at one of the Homecoming Weekend events.

Your donation is an investment in our students and will support innovations in teaching which create a rich, safe environment where our students can receive a world class education. The difference between an average and an outstanding school district is directly dependent on the involvement of the community. We welcome you into our community!

*For Health &  
Wellness*

July/August 2011

Dear Prospective Sponsor:

October 23, 2011 will be an exciting day in Livingston. The second annual Livingston 5K Run for health and wellness will take place on this date. Occurring that same day will be a 1-Mile Fun Run/Walk and all types of field events for school age children. There will also be various activities for senior citizens. The various activities, as well as the 5K Run and 1 Mile Fun Run/Walk should occur between 9:00am-11:30am.

In keeping with the theme of this event, there will be a health and wellness fair at the rear of Livingston High School.

Three organizations, the West Essex YMCA; the Big "L" Club, the Booster Club of Livingston High School; and the Livingston Education Foundation are sponsoring this special event. Net proceeds from this day will be used to benefit the youth of our community and region.

This event will be a marquee day for Livingston and will be heavily promoted throughout the community. Teachers and supervising staff who work with kindergarteners through seniors in high school will help promote this event. Parents will be encouraged to participate with their children. It will also be promoted to our senior citizens, and the general public.

All the participants will gather at the rear of Livingston High School, the location of the new athletic complex. The 5K Run and 1-Mile Run/Walk will end on the high school track. All the of the children's events and activities for senior citizens will also take place at the new athletic complex.

Enclosed with this letter is a sponsorship request form. We hope that you and/or your business will become a sponsor for this very special day. Please complete the form as soon as possible and return it in the self-addressed envelope. Kindly include an appropriate check detailing your level of sponsorship.
