Actively engaging students in the learning process...

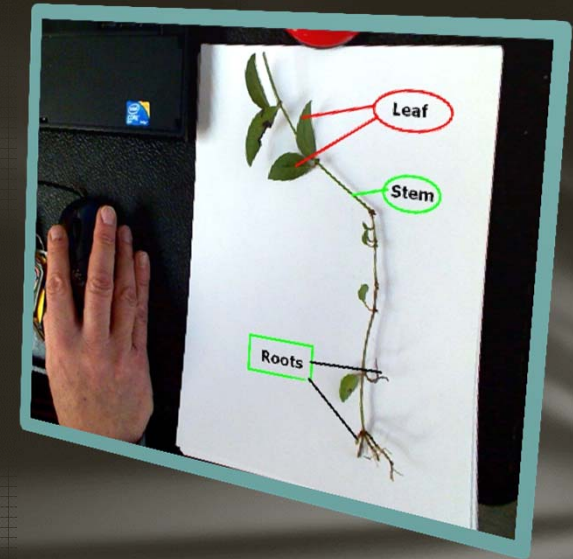

- ✓ Visual learners see small items, text, demonstrations in a much bigger way
- ✓ Hands-on learners place objects or items for viewing and explain what they are showing
- ✓ Planned lessons come to life
- ✓ Interactive organic 'teachable moments'
- ✓ Meaningful curiosity and student interest
- ✓ Taking into account the diverse needs of the students

Vivid images...

✓ Objects can be projected

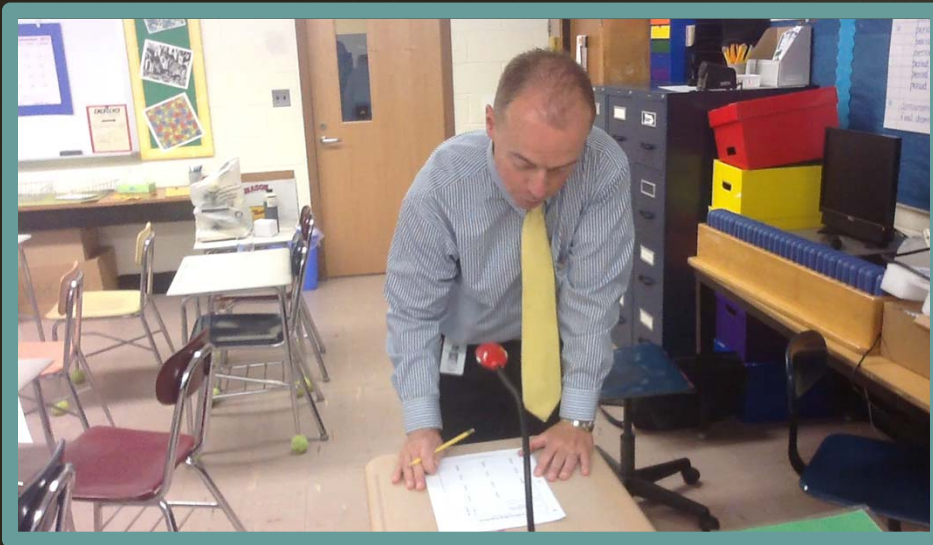

✓ Books can be read and easily seen

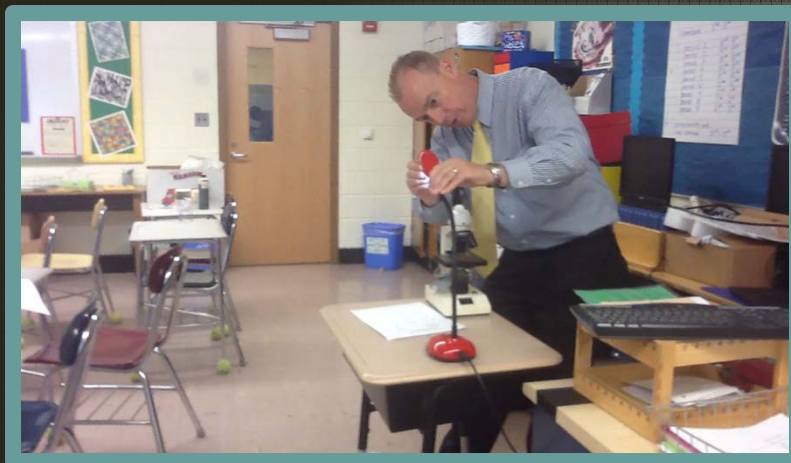

Planned lessons are augmented by student input...

- ✓ Handwritten notes or newspaper articles shared
- ✓ Math problems solved,
 - ✓ independently, then
 - ✓ followed by group discussion

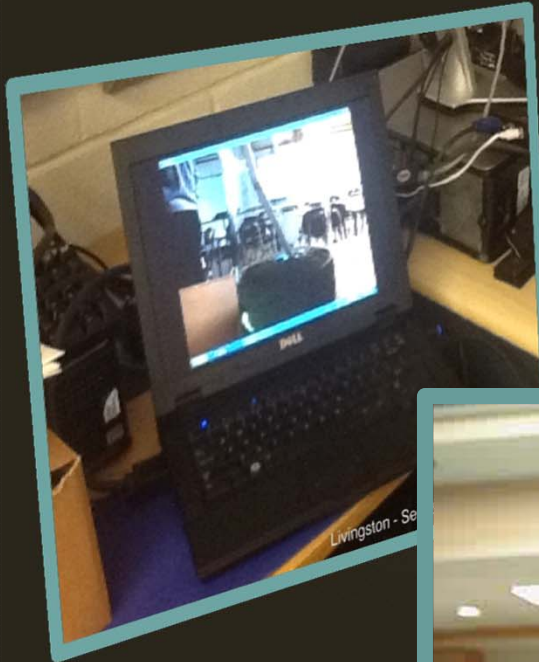

Concepts shared in the moment and reinforced later...

- ✓ The whole class benefits from slides placed under the lens of a microscope
- ✓ Images be saved to the computer
 - ✓ for the next class,
 - ✓ to be viewed to reinforce a lesson,
 - ✓ for the absent student to see online or to prime information prior to a lesson
