

Burnet Hill's First Annual Color Run

On October 25, 2019, our students will be participating in our first-ever Color Run! This will be a fun and exciting event in which students can get exercise while raising money for a good cause. Proceeds from this year's Color Run will go to Livingston Neighbors Helping Neighbors. Please select your participation level below! Please note that the colored powder is made of food grade cornstarch, FD&C and D&C dyes (food, drug and cosmetic dyes) and baking soda.

Child's Name: _____

Homeroom Teacher: _____
