Dear Parent/Guardian:

It is with great pleasure and anticipation that we welcome your son or daughter to Heritage Middle School for the 2019-20 school year. We invite you to a parent presentation on Tuesday, March 12, 2019 at 7:15 p.m. in HMS Auditorium to provide you with an overview of our academic, co-curricular and interscholastic athletics program.

Heritage Middle School's Administrative team looks forward to working with you to ensure that your child has an exciting and enriching middle school experience. We have created a program that is challenging and supportive; delivered by a very talented group of teachers. We will review typical schedules and programs unique to Heritage and discuss the wide variety of opportunities that help students to become more college and career ready. Our school counselors will also be available that evening to answer any questions you may have.

The Middle School Experience is a time when students are at a great age to test the waters of independence, yet still need support and guidance. They are fun and delightful as they break into adolescence and begin to define themselves and find their interests and passions. Working together, we can make this a great experience for them. We look forward to speaking with you and answering your questions at our parent orientation on March 12th!

Sincerely,

Shawn Kelly, Principal
Heritage Middle School
