

Livingston High School Succeeds at the NJ FBLA 2024 State Leadership Conference

ATLANTIC CITY, NJ – In March, Livingston High School (LHS) brought its record-breaking high of 79 students to the 2024 New Jersey State Leadership Conference (SLC) held in Atlantic City, attracting nearly 3,000 state qualifiers and competitors across NJ. Students competed, networked, attended workshops, and engaged in fun activities at the conference.

Of the LHS attendees, there were 11 national qualifiers (top 4 placers) and 26 finalists (top 10 placers) for a total of 37 state finalists. The national qualifiers will attend the National Leadership Conference (NLC) in Orlando, Florida this June!

In addition, at the opening ceremony, LHS was honored to be recognized as a new FBLA Gold Seal Chapter of Merit, garnering over 5,000 points in the NJ FBLA point system from its schoolwide service events, student achievements, member participation, state involvement, and overall excellence. This achievement was a direct result of the combined efforts of advisers, officers, and members of LHS FBLA.

Furthermore, at SLC, LHS junior Joanna Liu announced her candidacy for state office and was successfully elected by NJ FBLA members to serve as the 2024-2025 North Central Region VP. Several LHS students were a part of her campaign team and were instrumental in the process as well. She will represent and guide the NJ FBLA North Central Region, consisting of 35 school chapters and nearly 3,000 members.
