Preamble

Matching & Sequencing

Activity 1: Sequencing

Put the blue cards in order to create the Preamble.

Activity 2: Matching

Match the blue cards containing phrases from the Preamble with the red cards containing the meaning of the Preamble.

Note:

In the Preamble, the British spelling “defence” is used. The American spelling “defense” is used in this file.

I have included color and black and white versions of the Preamble. These can be used as posters or handouts. I’ve also included a smaller half-sheet version that can be added to journals and interactive notebooks.
