The Lifetime Learner 2016

GRAB IT!

An Addition Facts Game

The Lifetime Learner 2016

The Lifetime Learner 2016

STEP 1: LAY OUT ALL ANSWER CIRCLES!

STEP 2: SPLIT UP THE RECTANGLE CARDS BETWEEN ALL PLAYERS PLAYING (2-6 PEOPLE CAN PLAY!)

STEP 3: PLAYERS EACH FLIP OVER A CARD AND RACE TO SEE WHO CAN FIND THE ANSWER THAT MATCHES THEIR CARD FIRST!

GRAB IT!
 $3 + 4$

© The Lifetime Learner 2016

GRAB IT!
 $14 + 5$

© The Lifetime Learner 2016

STEP 4: WHOEVER FINDS THE ANSWER FIRST WINS THE ROUND!

STEP 5: PLAYERS DISCARD THEIR RECTANGLE CARDS TO THE SIDE.

THE WINNER KEEPS THE CIRCLE!

STEP 6: EACH PLAYER FLIPS UP A FRESH CARD. REPEAT PLAY + CONTINUE PLAYING UNTIL ALL RECTANGLE CARDS ARE GONE!

WHOEVER COLLECTS MOST CIRCLES AT END WINS!

WANT TO DIFFERENTIATE THE GAME? TRY ONE OF THESE WAYS!

Option 3

INSTEAD OF WINNING EACH ROUND, LET STUDENTS:

- TIME THEMSELVES. PLAY TWICE. LET STUDENTS SEE IF THEY CAN BEAT THEIR ORIGINAL TIMES FINDING ANSWERS.
- WORK TOGETHER. LET STUDENTS TAKE A BIG PILE OF RECTANGLES + WORK TOGETHER TO FIND ANSWERS.
- BOTH PLAYERS WIN THE ROUND. STUDENTS DON'T PROCEED TO NEXT CARD UNTIL BOTH PLAYERS FIND THEIR ANSWER.

I NEED TO PRACTICE MY 6 AND 12 FACTS!

Option 2

KEEP IT FAIR!
HAVE STUDENTS PRACTICE THE FACTS THEY NEED.
TWO STUDENTS WORKING ON DIFFERENT FACTS CAN STILL PLAY EACH OTHER AND BE EQUALLY CHALLENGED!

I NEED TO WORK ON MY 2 AND 10 FACTS!

Option 1

HAVE STUDENTS PLAY WITH ONLY ONE SET OF ADDITION FACTS!

I'M PRACTICING MY 23 FACTS!

I'M PRACTICING MY 5 FACTS!

JUST USE THE RECTANGLE AND CIRCLES THAT YOUR STUDENTS NEED TO PRACTICE!

WANT TO DIFFERENTIATE THE GAME? TRY ONE OF THESE WAYS!

Option 6

**HAVE STUDENTS PLAY
BY THEMSELVES!**

Option 5

**ARE 1-20 FACTS TOO MANY TO HANDLE?
JUST PRINT OUT THE FACTS FROM 1-10!**

Option 4

**HAVE STUDENTS MATCH EACH
CARD AND CIRCLE TOGETHER!**

Grab It!

Directions:

1. Put all polka dots face up on the floor.
2. Split all the rectangle cards between the players playing. Each player keeps their rectangle cards in a pile face down in front of them.
3. Each person pulls a card off the top of their rectangle pile and solves card. They have to grab the answer from the pile of polka dots. The first person to grab the polka dot wins the round.
4. The winner of the round keeps the polka dot. All players discard their rectangles into a discard pile.

Alternative Way to Play:

When searching for an answer, if one player keeps winning round after round, try a time limit so both players are able to win a round. Example: Each player has 30 seconds to find their card or they lose the round.
