BACK TO SCHOOL 2020

- **HVAC**
- **Facilities Preparation**
- **Device Distribution**
- **Preparing for Remote Learning**

Our Preparations for HVAC

- Merv 13 filters installed in all univalent systems at all schools except LHS which should be installed next week.
- Portable HEPA Filters for all nursing stations.
- Purchase of air purifiers for all classroom spaces that do not have windows.
- Hiring of a mechanical engineer to perform an evaluation of our existing HVAC system.

HVAC Inspections

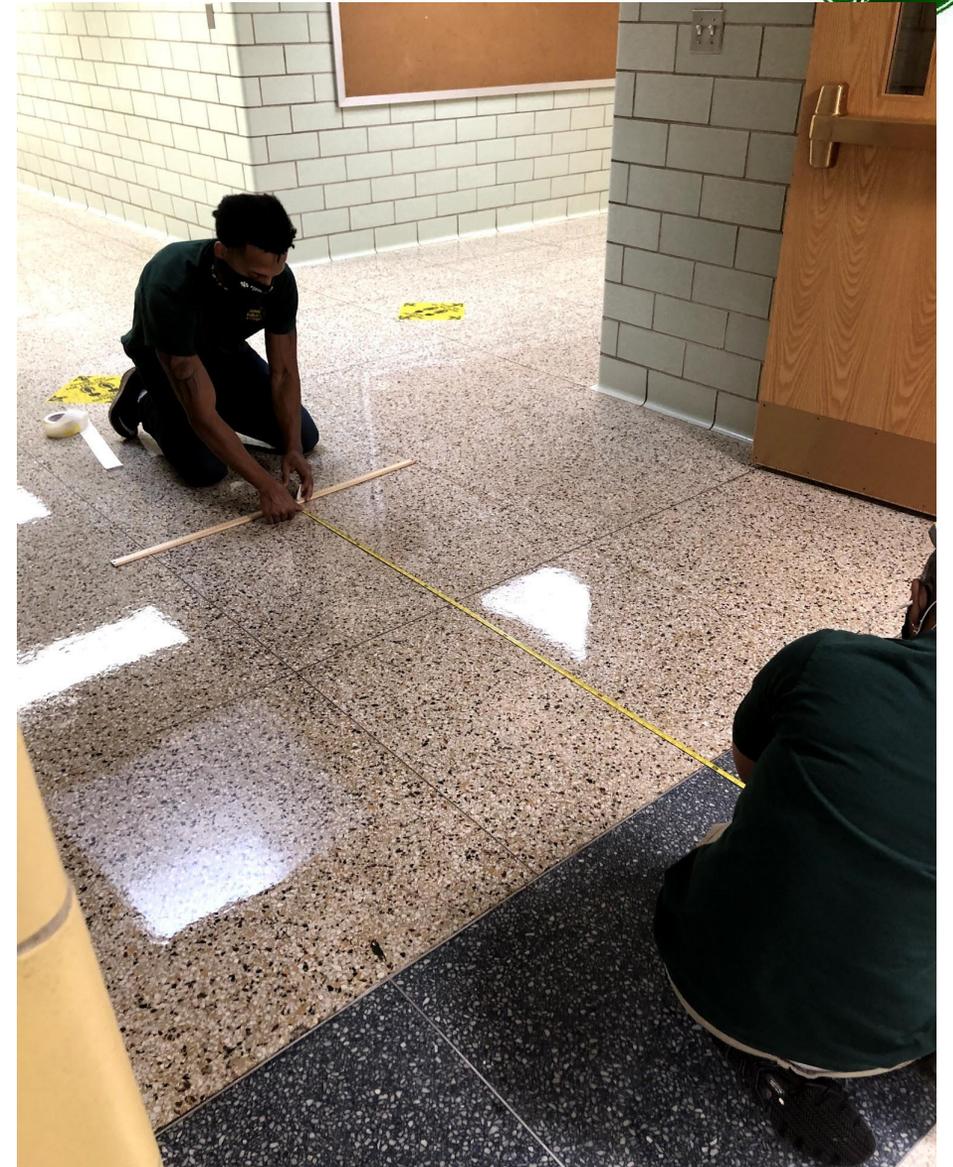

- The installed Merv 13 filters are operational.
- Received draft report from Johnson & Urban, LLC; awaiting final report based on additional information requested.
- The systems are operational. Draft report indicates some areas with balancing issues which will be addressed immediately.
- Additional sampling and testing will be conducted.
- Minor adjustments and testing will be completed in the next few weeks.
- The building can be occupied during this time period.

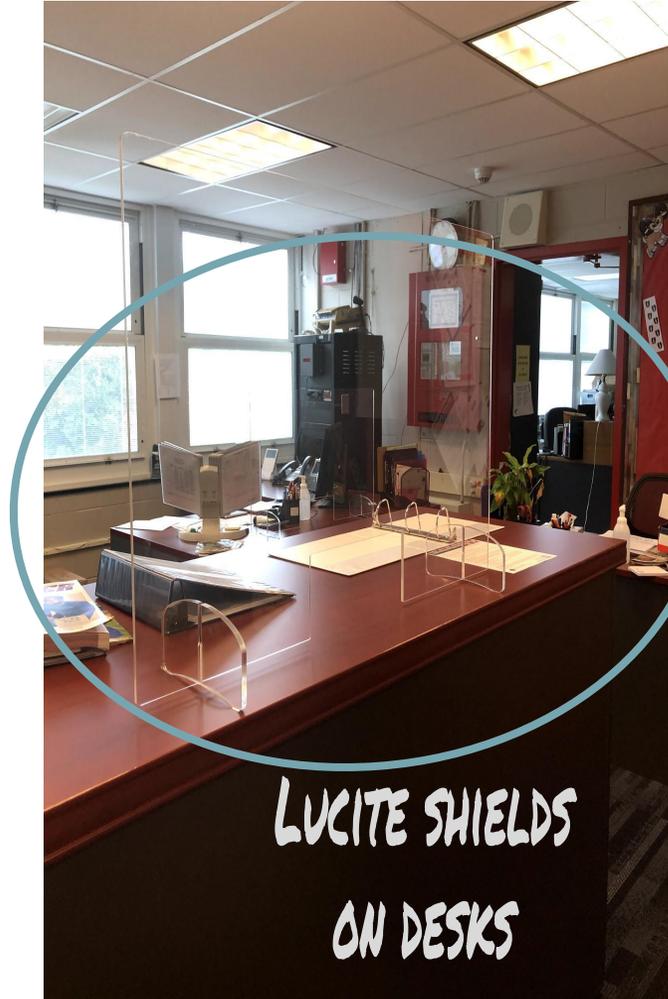

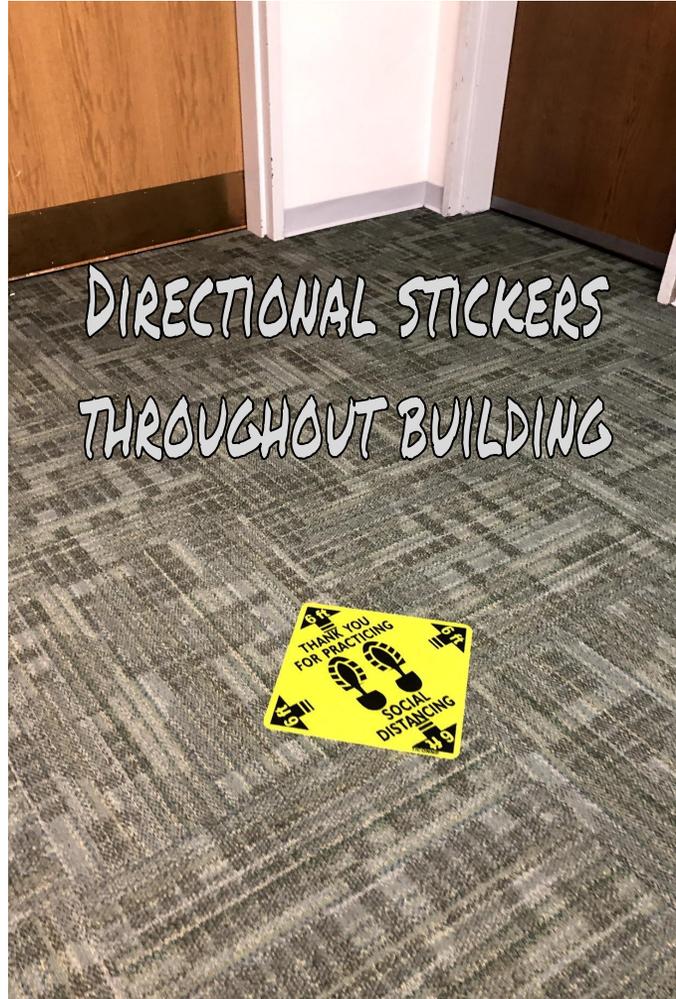

Our Facilities

- Thank you to our custodial and maintenance team who have been working to prepare our facilities since May.
- Classrooms have been physically distanced, signage has been placed around the school, and one way hallways and stairwells have been established.
- Delivery of PPE, hand sanitizer, and air purifiers.
- Student supply “go bags” created.

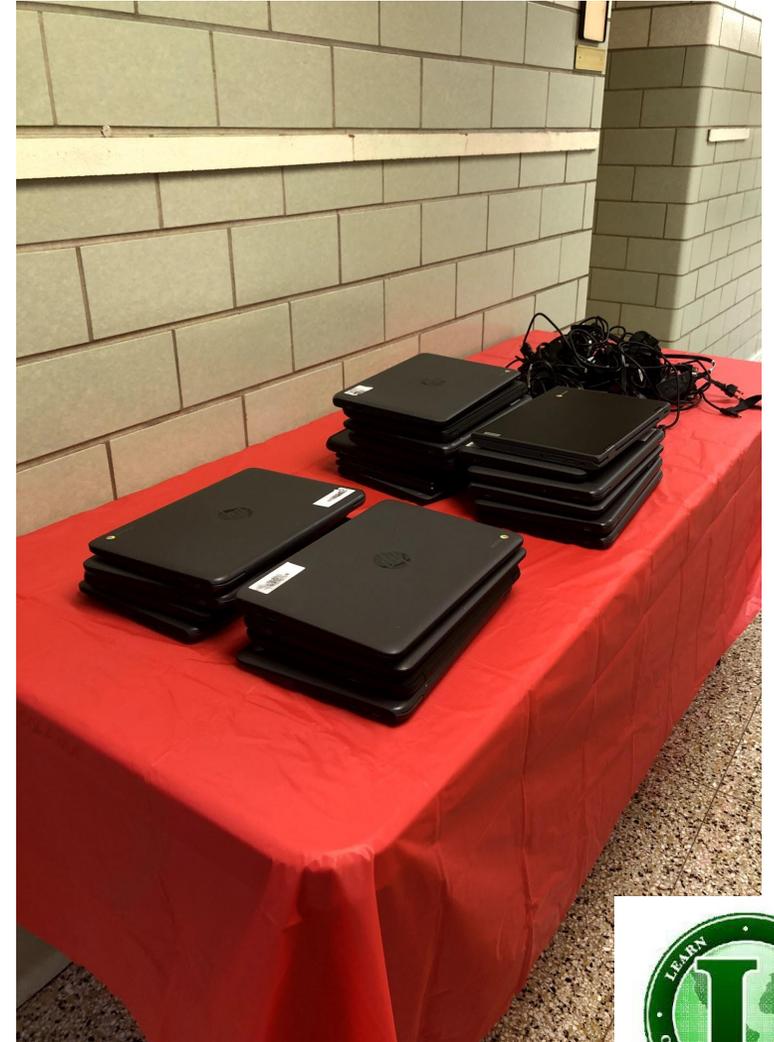

Preparing our Facilities

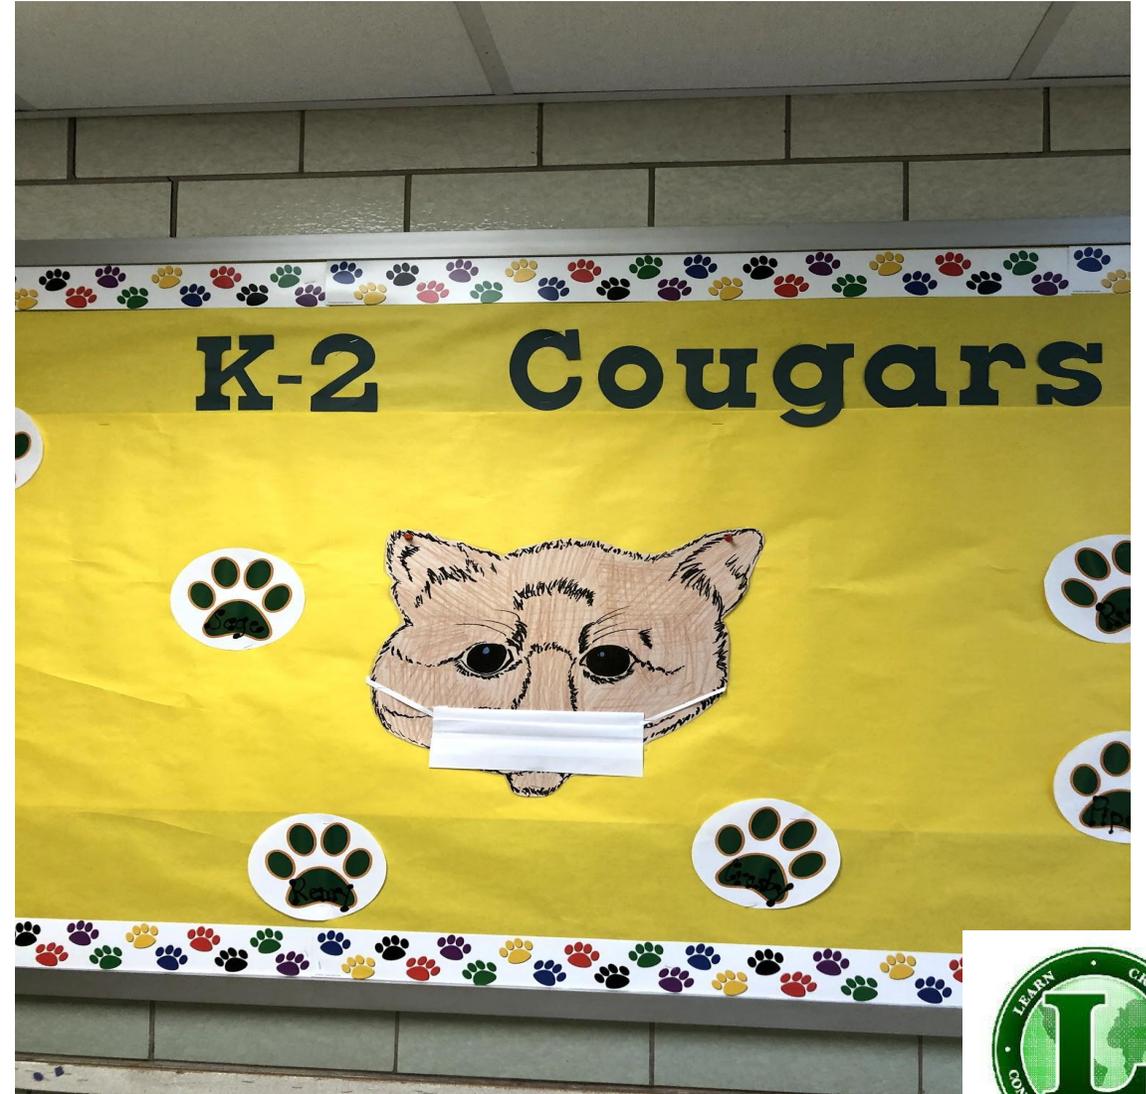

Device Distribution

- Device distribution has been happening and is ongoing.
- Some new Chromebooks shipment delayed.
- As soon as the new Chromebooks are in, they will be deployed to our students.
- Our new staff devices did arrive, so we may look to repurpose some of the old staff devices, if possible.

Preparing For Instruction

Teacher Professional Development

Home Preparation - Remote Learning

- District Remote Learning Plan Provided - Parent guide outlines preparation steps families can take to support their children and be ready for opening day.
- School-Specific Information Provided from Principals.
- Technology: Device distribution in progress and portal information was sent out.
- Our staff professional development is going well, and we will be ready to provide an excellent remote program for our students.
