Monmouth Court Campus

Livingston High School offers an alternative education program, which combines a main campus experience at an off-campus site. Located just two blocks from LHS, the Monmouth Court Campus (MCC) focuses on ensuring all students have access to an appropriate and meaningful education. The Monmouth Court Campus program offers opportunities that go beyond what is traditionally available at typical high schools. MCC offers a flexible, personalized, smaller, differentiated experience to ensure maximal access to the rigorous college preparatory curricula offered by the Livingston Public Schools. The class size and low teacher to student ratio provides students with powerful support from adults while they work towards completing their program of study. The MCC program mirrors the main campus course guide in each of the college preparatory level core content areas, as well as physical education, health, personal financial literacy, and select elective courses.

Social-emotional well-being and high levels of support are at the heart of the work done in MCC. Students have opportunities to work closely with their teachers, counseling professionals (where appropriate), and administrators while meeting the requirements for graduation and post-secondary planning. The program stresses a variety of post-secondary options for students including college, work, and the military. Through the provision of a smaller, more personalized environment in which various learning styles are respected, students meet with success.

Students are recommended to the MCC program by their school counselors, building administrators, and/or the Child Study Team. The hope is that enrollment in MCC is mutually agreed upon in order to support a positive and productive learning experience. Those students who are interested in attending MCC should seek out the advice of their school counselor.
