How to Use the Course Guide

Livingston High School’s Course Guide is a valuable guide for students, parents and school personnel; it is a complete guide of high school graduation requirements, course offerings, scheduling information, course planning tools and post-secondary planning resources.

- Each content area has described its specific course offerings and highlighted the chief components of each course.
- Planning an individual student's high school program of studies demands a cooperative effort between home and school. The courses that a student pursues in high school should reflect his/her interests, aspirations and aptitudes. The courses at Livingston High School provide students with many opportunities to meet educational needs. In addition to State, District, college and career requirements, students are encouraged to select courses that will be academically stimulating and personally enriching. All students, parents and school personnel are recommended to use this resource for current and future planning, as well as to access important information about high school opportunities and post-secondary planning.
- On the next page, you will find a table of contents that outlines each section of this resource. Every link within this resource will take you to that section of the course guide or to a website for additional information.
- Students are encouraged to utilize the detailed information provided in the course guide to be informed of the opportunities and choices they have to take advantage of at Livingston High School. Programs such as Course Preview Day, the Transition into high school and post-secondary planning programs provide students and parents the opportunity to explore student interests and make informed decisions. Many courses have pre-requisite or co-requisite requirements in order to enroll to ensure that students have been exposed to the required content and skills to find success. Within the Courses of Study section, you will find each content area with detailed information on every course students have the opportunity to choose in his/her scheduling meeting with his/her school counselor. Furthermore, in each content area, courses are separated into two sections: full year courses and semester courses.
