Dear Fifth-Grade Parents/Guardians:

Please take a moment to review the following important health-related topics and requirements for your child to attend Mount Pleasant Middle School. The requirements are designed to protect and promote optimum health among all students and school personnel. Click [here](#) for an overview provided by the school nurse.

There are several forms attached that must be completed based on your child's specific health needs. These forms **must** be submitted prior to your child's entrance to school in September. For your convenience, you may return the completed forms to the MPM School Nurse via email at dheesemann@livingston.org

Forms with an asterisk are **required** for all 6th-grade students at MPM.

- [*Medical Records Grade 6](#)
- [*Confidential Medical Form -Genesis Portal](#)
- [Meningococcal Invasive Disease Fact Sheet](#) - Please read

Forms **necessary** for individual students based on need are listed below. Some of the forms require a physician's signature so please read each form carefully:

- [Request for Administration of Medication](#)
- [Asthma Treatment Plan](#)
- [Emergency Allergy Treatment Plan](#)
- [Self-Medication for Asthma and Life-Threatening Conditions](#)

If your child is interested in participating in intramural sports offered at MPM please click [here](#) to review the requirements and necessary paperwork. You can also visit [Athletic Forms and Sports Physical Information](#) for more information.

Thank you and if you have any questions regarding any of the attached documents, please contact Ms. Heesemann, School Nurse, at 973-535-8000, ext. 8079, or dheesemann@livingston.org

Sincerely,

Bronawyn O'Leary
Principal
