

## 2312 CLASS SIZE

The Superintendent or designee shall recommend for Board approval the number of class sections for each course or grade level. He/she shall take into consideration such factors as student needs, class composition, curriculum requirements, types of instructional setting, district finances, and space or equipment limitations.

The Board of Education will set the limits of the sending district for each school and may alter such boundaries in keeping with the needs of the schools and the population distribution of the students within the community.

Particular attention shall be paid to space-per-pupil requirements of the State Department of Education.

Adopted: 09 May 2011
