WHEREAS, due to significant volatility and the potential for price increases in the wholesale natural gas market, Participating Members will preauthorize the Lead Agency to award contracts for Natural Gas Supply Service in each service territory to one or more natural gas suppliers that submits bids which are reasonably forecasted to provide estimated savings to the Participating Member based upon its previous natural gas usage and utility provided Basic Gas Supply Service rates; and

WHEREAS, the District agrees to purchase all Natural Gas Supply Services for its own use during the Effective Period through any natural gas supplier(s) awarded a contract, it being understood that the term of any one contract shall be subject to the provisions of Public School Contracts Law; and

WHEREAS, the Lead Agency will notify the Department of Community Affairs’ Division of Local Government Services by mail prior to the issuance a Request for Bids for natural gas supply services, with the understanding that if the Division of Local Government Services does not respond within 10 business days, it will be deemed to have approved the issuance of the Request for Bids or the
