

## 1110 ORGANIZATIONAL CHART

The Board of Education believes it is in the District's best interest to have a current organizational chart and directs the Superintendent to create and maintain such a document. If the Superintendent determines that there should be a change to the structure of the organization, the Superintendent will amend the organizational chart to reflect said changes and place it on the agenda for Board approval as a part of this policy.

Once approved, a copy of the organizational chart will be attached hereto, available in the Business Office and posted on the District's web site.
