

ADMINISTERING AN OPIOID ANTIDOTE (M)

5330.04 ADMINISTERING AN OPIOID ANTIDOTE (M)

A. Definitions

1. “Opioid antidote” means any drug, regardless of dosage amount or method of administration, which has been approved by the United States Food and Drug Administration (FDA) for the treatment of an opioid overdose. “Opioid antidote” includes, but is not limited to, naloxone hydrochloride, in any dosage amount, which is administered through nasal spray or any other FDA-approved means or methods.
2. “Opioid overdose” means an acute condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma, or death resulting from the consumption or use of an opioid drug or another substance with which an opioid drug was combined, and that a layperson would reasonably believe to require medical assistance.
3. “School-sponsored function” means any activity, event, or program occurring on or off school grounds, whether during or outside of regular school hours, that is organized or supported by the school.

B. Acquisition, Maintenance, Accessibility, and Documentation of an Opioid Antidote

1. The school nurse in each school that includes any of the grades designated by the Board in Policy 5330.04 shall obtain a standing order for opioid antidotes pursuant to the “Overdose Prevention Act” – N.J.S.A. 24:6J-1 et seq.
2. The school nurse shall be responsible to:
 - a. Maintain a supply of opioid antidotes that have been prescribed under a standing order in a safe and secure, but unlocked and easily accessible location in the school:
 - (1) The opioid antidotes shall be accessible in the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building.
 - b. Document the administration of an opioid antidote on a student’s health record;

ADMINISTERING AN OPIOID ANTIDOTE (M)

- c. Monitor the on-site inventory and replacement of the opioid antidote supply; and
 - d. Plan for the disposal of administered opioid antidote and expired opioid antidote.
 3. Opioid antidotes shall be maintained by a school pursuant to N.J.S.A. 18A:40-12.24.b.(1) in quantities and types deemed adequate by the Board, in consultation with the New Jersey Department of Education (NJDOE) and the Department of Human Services.
- C. Authorization and Training for Administering an Opioid Antidote
 1. The school nurse shall have the primary responsibility for the emergency administration of an opioid antidote.
 2. However, the Board upon the recommendation of the Superintendent shall designate additional employees who volunteer to administer an opioid antidote in the event that a person experiences an opioid overdose when the nurse is not physically present at the scene.
 3. The school nurse and designated employees shall only be authorized to administer opioid antidotes after receiving the training required under N.J.S.A. 18A:40-12.25.b.
 - a. Each school nurse and each employee designated to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall receive training on standardized protocols for the administration of an opioid antidote to a person who experiences an opioid overdose. The training shall include the overdose prevention information described in the “Overdose Prevention Act” – N.J.S.A. 24:6J-5. The school district will provide training by an appropriate entity or entities as specified by the NJDOE’s guidelines. A school nurse shall not be solely responsible to train the employees designated pursuant to N.J.S.A. 18A:40-12.24.c.
 4. In the event a licensed athletic trainer volunteers to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.23 through 12.27, it shall not constitute a violation of the “Athletic Training Licensure Act” – N.J.S.A. 45:9-37.35 et seq.

ADMINISTERING AN OPIOID ANTIDOTE (M)

- D. Administration of an Opioid Antidote
1. The school nurse or a trained employee designated pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall be authorized to administer an opioid antidote to any person whom the nurse or trained employee in good faith believes is experiencing an opioid overdose.
 - a. The school nurse or a trained employee designated pursuant to N.J.S.A. 18A:40-12.24.c.(1) shall be promptly available on site at the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building at any time.
 - b. Upon receiving a report or observing a possible opioid overdose in the school or at a school-sponsored function that takes place in a school or on school grounds adjacent to the school building at any time, the Principal or designee or any staff member present will immediately call the school nurse, if present, or a designated staff member who volunteered and was trained to administer an opioid antidote, and emergency medical responders.
 2. A staff member shall keep the individual who may be experiencing an opioid overdose comfortable until emergency medical responders arrive on the scene.
 3. An overdose victim shall be transported to a hospital emergency room by emergency medical responders after the administration of an opioid antidote, even if the person's symptoms appear to have resolved.
 4. The Principal or designee shall notify the Superintendent or designee whenever an opioid antidote is administered.
 5. The Principal or designee shall notify, as soon as practical, the parent of any student or a family member or other contact person for a staff member who may be experiencing an opioid overdose or has been administered an opioid antidote.
- E. Use of Controlled Dangerous Substances
1. Any student or staff member who is found to be under the influence of a controlled dangerous substance shall be subject to the provisions of any
