

PROGRAM/CURRICULUM

<u>Title</u>	<u>Author/Publisher</u>	<u>Year</u>	<u>Grade</u>	<u>Subject/Course</u>	<u>Rationale</u>
Hole's Human Anatomy & Physiology	Shier, Butler, & Lewis McGraw Hill Edu.	2019	11-12	Science	The Anatomy & Physiology 1 course is the 2 nd course in the Health Science Pathway offered at LHS. In order to offer dual enrollment option for these pathway courses, the Rutgers curriculum must be followed and an approved textbook must be provided.
Physical Science	McLaughlin, Thompson, and Zike McGraw Hill Edu.	2017	11-12	Science	The Introduction to Chemistry and Physics course provides students with an additional core lab science that can be used to fulfill their three-year science graduation requirement.
Campbell Biology AP Edition	Urry et.al Pearson	2018	10-12	Science	College Board requires that we certify that we update textbooks every 10 years. This selection makes a smooth transition to the newer edition and will aid teachers as they are revising the AP Biology curriculum this summer.
